

2nd February 2022

NEWSLETTER NO. 6

Dear parents!

The first term of the school year is over and the second one has just begun. Thanks go both to you, for your cooperation and support, and to all our teachers for their everyday efforts. We understand that the situation is not pleasant for anyone of you, but it's not easy for us either as things change almost every day.

Despite all restrictions, in January, we organized a few events that made us happy. They were, for example, **the Act of Promoting the First Graders Readers, the Project Day for "Ostrčilka Enjoys Reading Again" (year-round project)**, the visit to **the Puppet Theatre** (an alternative date for 5.E1 is being arranged), a **skiing course** for our first graders (the third graders are yet to go and an alternative date for 2.E under negotiation), the class rounds of singing and reciting competitions and... **School reports** that, hopefully, made you and your children happy. ☺

Have a look at the Future Events column to see our plans for February. We are all looking forward to **Valentine's Day** to enjoy a number of activities in classes. Class teachers will specify information for each respective class. We also hope that the children taking part in the school round of the singing and reciting competition have success. We are keeping our fingers crossed for everyone.

Cambridge Exams. You can enrol your children for the tests conducted by Cloverleaf Language School this year too (does not concern the first grade.) All the information about the registration for CE will be available on our website in next two weeks. Your further questions concerning the registration will be answered by Cloverleaf Language School.

Dear parents, I really appreciate your cooperation and support in the first term. I wish you stay healthy and your children have a nice second term.

On behalf of the whole bilingual team

Táňa Bahnerová
Deputy Headmistress for Bilingual Education

Future Events

7th February – 11th February – skiing course for 2.E,3.E1 and 3.E2
