

31st March 2022

NEWSLETTER NO. 8

Dear parents!

Let me wish you a good start of spring and briefly inform you about what we have experienced in the previous days at school and what we are planning to do in the coming period.

In the month of March, we celebrated St. Patrick's Day, we became illustrators for a day in connection with our year-round project *Ostrčilka Enjoys Reading Again*, we welcomed a rare visitor from our kindergarten, and most importantly, several of our classes enjoyed the beautiful spring weather at the mountain school camp. We also wish the fifth graders, who are now leaving for their school camp, an unforgettable stay in the countryside, full of great experiences and a healthy, injury-free return.

Open Day

On 12th April, we teach the first three classes with "the doors wide open". The event is primarily for prospective first graders, but of course you, our parents, have the opportunity to look into the classrooms as well.

Cambridge Exams

The deadline for applications, as announced, is 1st April. Now, based on the number of registrations, we will work with Cloverleaf to plan the exact organization and dates and then we will keep you informed. Our native speakers have already written, or are about to do so shortly, a trial form of the tests at YLE level, i.e. with the 1st stage pupils who, unlike the 2nd stage, did not write the Pretests in the autumn term. You will be informed about the results by your class teachers so that those of you who have not chosen to test your children's level of English also get a rough idea.

Summer camp with our native speakers

Ms Lesley-Anne and Mr Danny have once again started preparations for the summer day camp, which will build on the very successful and popular camp from last year. To better satisfy your and your children's interests, they are preparing two dates for this year's holidays, for more information read the flyer below. The camp is designed for pupils in grades 1-6.

Dear parents, thank you all for your cooperation and we look forward to developing it in future.

On behalf of the whole bilingual team, I wish you a beautiful spring, a happy Easter and good health.

Táňa Bahnerová
Deputy Headmistress for Bilingual Education
