

29th April 2022

NEWSLETTER NO. 9

Dear parents!

The last two months of this school year are upon us, and we have planned several interesting events for the month of May, which I would like to inform you about now. But first, let me briefly summarize the events of the past few weeks.

I would like to appreciate the above-standard dedication of my colleagues in the preparation and implementation of **the mountain school camps** for our fourth, fifth, seventh and eighth graders. They all enjoyed them very much together and came back full of new experiences, with new friends from other classes and with deepened relationships in the class and with teachers. I myself participated in the school camp for the fifth graders, so I am describing my own experience.

Important moments are now experienced by our ninth graders. We are keeping our fingers crossed that their wishes come true and they can start their dream secondary school in September. We also wish our pupils success in the admission process to study at multi-year grammar schools.

In the month of May we continue with the year-round project **Ostrčilka Enjoys Reading Again**. We are preparing another project day and more discussions with the writer Zuzana Pospíšilová.

Cambridge Exams

Cloverleaf has already sent you the dates of the exams that will take place at our school (except for FCE level) on Friday 27th May and Saturday 28th May. Friday's Speaking will take place shortly after school, so the care centre children can go straight from the care centre and come back after the exam. Please inform the care centre assistant about this fact. For Saturday written exams, please follow the instructions and times you have received from Cloverleaf. Pupils will be present at the exams unaccompanied by parents and will be collected from outside the school after the exams. I will be present at school all the exam time. You can contact me with any questions (M: 722 975 739).

Summer Camp with our native speakers

According to the latest information, there are still a few places available on both dates. I am therefore attaching again the offer of Ms. Lesley-Anne and Mr. Danny.

Dear parents, thank you all for your cooperation and we look forward to its continuation.

On behalf of the whole bilingual team, I wish you a beautiful spring and good health.

Táňa Bahnerová
Deputy Headmistress for Bilingual Education
