

Newsletter No.10

3rd June 2024

Dear parents,

You are reading the last bilingual Newsletter of this school year.

I warmly greet you at the beginning of the last month of this school year and I am reaching out with the final bilingual Newsletter to inform you about matters related to the last school days.

I would also like to take this opportunity to wish you a nice start to your summer and to thank you for your year-round cooperation and support, which was notably evident at the final festival last week. Thank you for your participation, but also for your involvement in the preparations and the activities themselves.

I would also like to thank my colleagues for their creativity, enthusiasm, personal approach, and to wish them a beautiful and well-deserved holiday. This year, they have prepared and carried out many traditional and non-traditional events for our students and you, the parents, implemented project-based and experiential learning, dedicated a lot of energy to mutual relationships and communication in the classrooms, and most importantly, planned their pedagogical activities to be as effective as possible for the students.

In "Upcoming Events," you will find information about the last planned events. Your class teachers have already informed you about the specific dates of class trips and other events.

The last days of school bring small changes in the organisation. Classes will end earlier and from 17th June there will be no more classes with native speakers.

From Monday 17th June, there will no longer be afternoon classes, Extra English lessons and Extra Science.

Class teachers will be with their classes from 24th June.

From 24th to 27th June, classes will end at 11.40 at the first stage and at 12.35 at the second stage.

The last Assembly of the year will be held on Thursday, 27th June at 10 a.m. Again, Children can come wearing their House colour T-shirts.

The school reports will be handed out in the first lesson on 28th June. At 8.45 pupils can go home. The school care centre will no longer be open, nor will the school canteen.

In the last week of August, you can expect the first Newsletter with fresh information about the start of the new school year. The new school year begins on Monday, 2nd September.

Dear parents, thank you all for your cooperation and support throughout the year and we look forward to seeing you again next school year.

On behalf of the entire bilingual team, I wish you a wonderful summer and good health.

Táňa Bahnerová
