

March 3, 2025

Dear parents,

I would like to take this opportunity to greet you once again, thank you for your active participation in the February parent-teacher meetings, and inform you about the latest updates in the bilingual section of our school.

Open Day

We primarily organize this event regularly for prospective pupils interested in joining our school. However, it is also a great opportunity for you, the parents of our pupils, to get a glimpse into lessons, see your children in the learning process, and gain insight into the structure and flow of teaching in different subjects. On **March 19**, the first three lessons will be taught with open doors, allowing you to walk around the school, visit various classrooms – including the specialized ones – or spend time in your child's class as a silent observer. More information can be found [here](#).

Cambridge Exams

In the previous Newsletter, I informed you about the upcoming exams at our school. You can find more details, including registration deadlines for each level, on the school website [here](#).

CAMBRIDGE ENGLISH
Language Assessment

Just a reminder: **Until March 15**, priority registration will be given to our pupils. After this date, Cloverleaf will also accept applications from students of other schools and other interested candidates for the exam sessions held at our school.

You may still register your children after this deadline (but no later than the final registration deadline stated on the website for each exam), provided there are still available slots. Detailed information about the exam procedure, including the exact schedule, will be sent to the email address provided in the online application within three days after the registration deadline. Please note that the registration for pupils of class 8.E is handled through me this year. The class teacher of 8.E has informed you about the deadline for selecting the preferred CE exam level.

Summer Camp

As always, our native speakers, Ms. Lesley-Anne and Ms. Jericho, are organizing an English day camp at our school during the summer holidays. This year, the camp will take place from August 18 to 22. In the second attachment, you can find a leaflet with the offer and exact information.
