

March 31, 2025

Dear parents,

I would like to take this opportunity to greet you once again, wish you a pleasant start to spring, and briefly update you on the latest events. As always, you can find them in the "Upcoming Events" section.

April is a time of enrolment for first graders as well as the entrance exams for secondary schools. I would like to express my support to all our pupils preparing for their exams and wish them the best of luck – and to you, parents, plenty of patience and strength.

In the second week of April, we will welcome our first foreign group of students as part of the Erasmus+ programme. Eleven pupils from Sweden will be visiting our school and I would like to thank class 8.E for taking on the role of guides and hosts during their stay. At the same time, thanks to Erasmus+ mobility, a group of selected pupils from our 6th and 7th grades will stay in the town of Tui, Spain.

In the previous Newsletter, I informed you about the Summer Camp, which our native speakers, Ms Lesley-Anne and Ms Jericho, are organizing again this year. I am including the offer once more:
